A FEW WORDS ABOUT GRADING

Grading is an Art and NOT a Science. It is subjective in nature but is governed by standards and parameters garnered by our many years in business. It includes eye appeal among other things.

Adjectival vs. Numerical

Uncirculated or Brilliant Uncirculated = Mint State 60 to 62

Choice Uncirculated = Mint State 63

Very Choice Uncirculated = Mint State 64

Gem Uncirculated = Mint State 65

Superb Gem Uncirculated = Mint State 66 to 67

The same adjectives apply to Proofs

I have omitted lengthy descriptions, as the coins will speak for themselves.

Lots will be on exhibition two weeks prior to and including the date of the Sale in our office located at 1616 Walnut Street, Suite 2112, Philadelphia, PA 19103 from 9:00 A.M. to 4:30 P.M. Mail bids must arrive by 5:00 P.M. September 21st. Inspection by appointment. Overseas Buyers may inspect earlier by request.

A RARE OPPORTUNITY TO BUY AN UNUSUAL FIND

281. We present here CLARK GRUBER die trial territorials which have remained intact since their striking. This group consists of one \$2.50 copper, three \$5.00 white metal, one \$10.00 copper , two \$10.00 white metal. Along with the 7 die trial pieces are 4 tokens which are widely believed to be some type of related pattern or date punch trial strikes. The dates on the 4 tokens seem to be identical to the date punch on the \$2.50 copper piece but their metal content we cannot verify. The 7 die trial pieces have been graded by the Numismatic Guarantee Corporation (NGC) as follows:
\$2.50 copper MS 67 BN and only an MS 64 was the previous high grade reported.
\$10.00 copper MS 67 BN also only had an MS 64 as highest reported.
The 3 \$5.00 White metal MS 62 are the **First** three ever graded!
The 2 \$10.00 White metal MS62 have none reported any higher.
More research is needed on the 4 ungraded pieces so that the proper designation can be made. An Amazing and Unique Offering.
